MEMORANDUM FOR Commander, Fort Worth District

SUBJECT: Approval of Review Plan for Lower Colorado River Basin (LCRB), Hays County, TX, Interim Feasibility Study Review Plan. (PWI # 010624)

1. Reference: EC 1165-2-209, Civil Works Review Policy, 31 January 2010.
2. In accordance with the referenced guidance for review of civil works products, I hereby approve the enclosed Review Plan (RP), for the subject study.
3. The RP has been prepared in accordance with the referenced guidance and has been reviewed and cleared for approval by the Flood Risk Management Planning Center of Expertise (FRM-PCX). An Independent External Peer Review is required. Public comments received will be incorporated into the plan as the study progresses.
4. SWF should post the final approved RP and a copy of this memorandum to the District's public internet website and provide the internet address to the Flood Risk Management Planning Center of Expertise. Before posting to the District website, the names of USACE employees should be removed.
5. The SWD point of contact for this action is Saji Varghese, CESWD-PDS-P, at 469-487-7069.
