Corps sponsors lake safety events this weekend

FORT WORTH, Texas – In keeping with its commitment to ensure water and boating safety, the Corps' Fort Worth District will host safety events at two of its area lakes this weekend. Both events are free to the public and will feature a vessel safety check conducted by the U.S. Coast Guard Auxiliary.

- Benbrook Lake, Westlake Park: Vessel safety checks with the USCG Auxiliary at Hobie Point Boat Ramp, Saturday, July 11, from 2-6 pm.
- Lewisville Lake, Westlake Park: Water safety fair and courtesy vessel safety check from the USCG Auxiliary, Saturday, July 11, from 2-6 pm.

-30-

About the Fort Worth District: The Fort Worth District, U.S. Army Corps of Engineers was established in 1950. The District is responsible for water resources development in two-thirds of Texas, and military design and construction in Texas and parts of Louisiana and New Mexico.
