Corps announces closures at Waco Lake due to flooding

FORT WORTH, Texas – Due to the recent rainfall and subsequent flooding The U.S. Army Corps of Engineers have announced complete and partial closures at Waco Lake.

Effective immediately completely closed areas are Airport Beach Park, Koehne Park, Twin Bridges Park, Flat Rock, and Lacy Point Access Areas. Partial closures include Midway Park boat ramp, Speegleville boat ramp and the Reynolds Creek Bank Fishing Area and Boat Ramp.

Preliminary predictions from the Corps' Reservoir Control Branch indicate the lake may rise up to eight feet during the next several days.
