Temporary Closure of Fishing Area at Navarro Mills Lake

FORT WORTH, Texas – The Navarro Mills Lake fishing area behind the dam will close temporarily for construction to repair the slope along the east side of the discharge channel. The small recreation area which includes the fishing platform, parking lot, restroom and access road will be closed on September 27 and is expected to re-open November 26.

For more information please contact the Navarro Mills Lake Office (254) 578-1058.
