

Atascosa River, Pleasanton, Texas

Purpose: By letter dated August 11, 2008, the city of Pleasanton requested assistance of the U.S. Army Corps of Engineers under Section 206 authority to address aquatic ecosystem degradation within and along the Atascosa River within the city limits. Preliminary surveys will be conducted to make sure that the study meets the criteria of a Section 206 project and that there is a Federal interest in moving forward into a cost.
