

Onion Creek, Lower Colorado River Basin, Texas (New Start)

Purpose: The project consists of implementing non-structural flood risk management measures at Timber Creek in Travis County and Onion Creek Forest/Yarrabee Bend in Austin, Texas. The Timber Creek segment includes the acquisition/removal of approx. 81 residential structures from the 4% annual chance of exceedance (25-yr) floodplain, while the Onion Creek Forest/Yarrabee Bend includes the acquisition/removal of approx. 410 residential structures from the 4% annual chance of exceedance (25-yr) floodplain. The vacated lands will be utilized for recreation and ecosystem restoration, with approximately 140 acres of the vacated land converted to parks and 206 acres restored to riparian woodlands.

Sponsor: City of Austin, and Travis County, Texas

Congressional District: TX-25 Doggett
